Tennessee's Oldest Funeral Home

Since 1842

6316 Hwy. 41A

Pleasant View, Tennessee 37146

Pre-arranging your funeral or cremation services is the right thing to do for a number of reasons:

1. Takes the financial burden off of your survivors when you die.
2. You make the choices and selections so your family doesn't have to.
3. You pay today's price for a service or merchandise that may not be needed for years later - when the cost will be more expensive.
4. The money placed into a pre-paid funeral or cremation plan is protected from Medicaid and not counted as an asset when trying to qualify for a nursing home.

We would be honored to answer any questions you may have with absolutely no obligation.
