“A LIVING FAITH”

Each Tuesday Night at 6:30 in July - Bible Classes for Children thru 4th Grade

JULY 1st	Charles Baugh	Shadrach, Meshach and Abednego: Resilience in Trials
JULY 8th	Darrick Shepherd	"Moses: Leading with Courage Despite Doubt"
JULY 15th	James Hayes	"The Centurion: Believing Without Seeing"
JULY 22nd	Spencer Davidson	"Mary, the Mother of Jesus: Trusting God's Plan Amid Uncertainty"
JULY 29th	Les Chapman	"Abraham: Trusting in God's Promises"

The story of Shadrach, Meshach and Abednego exemplifies an extraordinary resilience rooted in unwavering faith during trials.

Moses stands as a powerful testament to the transformative power of faith, especially in moments shadowed by doubt.

The story of the Centurion in the Gospel reveals a profound truth about faith that transcends physical evidence.

Mary's faith, a poignant example amidst the backdrop of uncertainty, showcases the profound strength found in trusting God's plan.

Abraham's faith exemplifies a profound trust in God's promises, woven seamlessly into the narrative of biblical history.

"He will sit as a refiner and purifier of silver."

Malachi 3:3

This verse puzzled some women in a Bible study and they wondered what this statement meant about the character and nature of God. One of the women offered to find out the process of refining silver and get back to the group at their next Bible Study.

That week, the woman called a silversmith and made an appointment to watch him at work. She didn't mention anything about the reason for her interest beyond her curiosity about the process of refining silver.

As she watched the silversmith, he held a piece of silver over the fire and let it heat up. He explained that in refining silver, one needed to hold the silver in the middle of the fire where the flames were hottest as to burn away all the impurities.

The woman thought about God holding us in such a hot spot then she thought again about the verse that says: "He sits as a refiner and purifier of silver."

She asked the silversmith if it was true that he had to sit there in front of the fire the whole time the silver was being refined. The man answered that yes, he not only had to sit there holding the silver, but he had to keep his eyes on the silver the entire time it was in the fire. If the silver was left a moment too long in the flames, it would be destroyed.

The woman was silent for a moment. Then she asked the silversmith, "How do you know when the silver is fully refined?" He smiled at her and answered, "Oh, that's easy - when I see my image in it."

If today you are feeling the heat of the fire, remember that God has His eye on you and he will keep watching you until He sees His image in you.
